

## Instructions for Obtaining CLE Credit

### CDIA Connect 2026 (May 6 – 8, 2026)

Thank you for joining us. This program offers up to **8.5 CLE credit hours**. A list of CLE-eligible sessions and credit totals is attached. Some sessions may also qualify for technology and/or DEI credit in jurisdictions that recognize these categories.

#### Evaluation Requirement

- **All attendees:** We encourage you to complete the evaluation to help us improve future programming.
- **CLE credit seekers:** Completion of the evaluation is required.

During each CLE-eligible session, you will receive a **unique alphanumeric code**. Please record and retain these codes — you will need them to complete the evaluation.
