**Ryan Ohara**  
**Senior Manager, Data Operations, Transunion**

Ryan O'Hara is a Manager in Data Operations at TransUnion. He has been with TransUnion for over 15 years, all within the Data Operations area, and has developed a strong knowledge base in all things credit reporting. Ryan currently manages a team supporting strategic accounts which encompasses large banks, credit unions, auto furnishers, and collections. In early 2017, he joined the Consumer Data Industry Association (CDIA) Metro 2<sup>®</sup> Format Task Force on behalf of TransUnion where he continues to put his knowledge of the industry to use.
