

Consumer Reporting Roundtable

CDIA Consumer Reporting Roundtable Agenda

- 12:00 PM** **Lunch and Networking**
- 1:00 PM** **Welcome Remarks and Introductions**
- 1:15 PM** **Tracking the Trends: Key Advocacy, Litigation, and Regulatory Update**
This discussion will provide an update on CDIA's key advocacy priorities and the state of the consumer reporting industry, including litigation developments including the California Delete Act, efforts to advance FCRA liability reform, and the latest CFPB priorities. Attendees will gain insight into the legal and regulatory issues shaping the industry today.
- 1:35 PM** **Shaping the Industry: Issues, Initiatives, and Developments you need to know**
Join this timely discussion on the issues, initiatives, and regulatory developments driving change across the consumer reporting industry. Topics include CFPB Complaint Portal improvements, FTC efforts to address identity theft and credit washing, and CDIA Steering Committee initiatives involving debt settlement, Buy Now Pay Later (BNPL), and the value of more timely/intracycle reporting.
- 2:45 PM** **Networking Break**
- 3:00 PM** **Intracycle Reporting in Focus: Industry Impacts and Open Forum Discussion**
Explore the latest changes in intracycle reporting, including its impact on furnishing practices and dispute management. Attendees will also have the opportunity to participate in a lightning-round discussion, bringing forward questions and real-world challenges for an interactive exchange with industry peers and experts.
- 4:25 PM** **Closing Remarks and Next Steps**
- 4:30 PM** **Happy Hour/Networking**
